5% - Making polling places accessible to individuals with disabilities (this includes the path of travel, entrances, exits, and voting areas of each polling facility)

90% - Providing access and participation to individuals with disabilities (providing the same opportunities for access and participation, privacy and independence provided to all other voters)

3% - Training election officials, pollworkers, and election volunteers on how best to promote the access and participation of individuals with disabilities in elections for Federal office.

2% - Providing individuals with disabilities with information on accessibility of polling places
