Totem Pocket Display

The Totem Pocket Display is a simple “pop-up” inside display system that includes three clear plastic pockets to hold New Hampshire information in place.

- Signage is 75" — over 6' tall when expanded
- Pockets make it easy to customize signs: you print the content yourself
- Election officials pre-load content — all pollworkers need to do is “pop it up” in seconds
- Ideal for “How to Vote”, Voter Bill of Rights, training, bilingual information, sample ballots, or general accessibility information
- System folds flat for easy storage (25" l x 16" w x 1.5" h)
- Large landscape pocket size: 20.75" w x 12.75" h
- Small portrait pocket size: 8.5" w x 11" h
