POLLING PLACE SURVEYS

Illinois Counties are required to survey all polling places for accessibility by September 20, 2024.

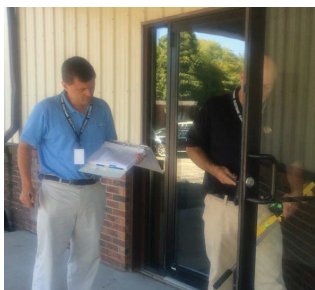

Inclusion Solutions is a leader in ADA site surveys. We would love to help.

Our team includes former election administrators, attorneys, and experts in disability access and **we have surveyed over 40,000 polling places nationwide.** Put our experience to work for you.

FULL SURVEY PACKAGE INCLUDES:

- **On-site visits** to every polling location
- **Complete surveys** using AuditPoll software (no additional charge)
- **Survey tools** – nothing needed on your end except a list of locations and access to the buildings
- **Detailed survey report and analysis document** showing not only accessibility results but providing a blueprint to make sites accessible including needed products
- **Assistance with completion of all Illinois State Board of Elections forms and assistance with grant submission**
- **No cost for transportation, lodging or expenses** – cost of “all in”
